*Take ownership and invest in your Next Level.*

TUESDAY  
**APR 9**  
9 AM — 4 PM

#### DAY ONE: It's All About You

- » **Build Your Self Confidence:** Explore assessment tools designed to provide deep insights into your strengths, weaknesses, and areas for growth as a leader. Identify your unique talents and leverage them to maximize your impact. Overcome the need to be liked and other limiting tendencies.
- » **Enhance Your Emotional Intelligence:** Develop a heightened sense of emotional intelligence through assessments that enable you to understand and manage your emotions effectively. Enhancing self-awareness in this domain will enhance your leadership capabilities, leading to more meaningful connections and improved decision-making.
- » **Create Your Leadership Growth Plan:** Learn how to leverage assessment results to create a personalized leadership growth plan. Define specific goals, milestones, and action steps that align with your aspirations, enabling continuous growth and development as a leader.

TUESDAY  
**APR 16**  
9 AM — 4 PM

#### DAY TWO: It's All About Your Team and Culture

- » **Learn to Activate Your Team:** Learn proven techniques to inspire and motivate individuals within your team, tapping into their unique strengths and passions to fuel their enthusiasm for their work.
- » **Build Trust and Collaboration:** Discover strategies for creating a trusting and inclusive team environment, where individuals feel valued, supported, and encouraged to collaborate effectively, fostering synergy and maximizing productivity.
- » **Develop Conflict Resolution Skills:** Gain skills in managing and resolving conflicts within your team, turning challenging situations into opportunities for growth and strengthening relationships, resulting in a more harmonious and cooperative work environment.

TUESDAY  
**APR 23**  
9 AM — 4 PM

#### DAY THREE: Achieve Seamless Execution

- » **Create Leverage in Your Business:** Combine your leadership skills, your team's energy, and well designed business systems for smooth execution and consistent performance.
- » **Discover Your BHAG (Big Hairy Audacious Goal):** A BHAG is that one thing that everyone is focused on, that unifies your team with a common pursuit.
- » **Lean Process Design:** Learn about Lean principles to help you remove bottlenecks, waste and inefficiencies so your team is focused and can achieve consistently high levels of performance.
